Incorporated in the State of Florida in 1995, the ASSOCIATION OF COMMUNITY ASSOCIATION MANAGEMENT PROFESSIONALS, INC., has been known in our industry in Southeast Florida as CAMP for the past fifteen years.

With its monthly dinner meetings, each including an educational course providing CEUs to our members that will meet state requirements for CAM license renewals, we strive to create an atmosphere conducive to the formation of professional and social relationships for our CAM and Associate members.

The opportunity to network, share experiences and stay current with the happenings within our field is surely an added benefit, especially during these difficult economic times.

While CAMP is not affiliated with the COMMUNITY ASSOCIATION MANAGEMENT PROGRAM, CAMP-TO-GO, we share a common goal of supporting and encouraging the educational advancement of our profession.
